

You can run, jump, climb, create and explore the natural play areas in Our Place.

Please do not eat and play – you may choke.

Take your litter home & no dogs are allowed – it keeps our place clean & hygienic for all.

Enjoy using our wood & den building materials but please keep them in their special area. Having objects in jumping zones makes it more likely others could hurt themselves as they play.

Slide **DOWN** only – use steps, climbing nets, ramps and ropes to go **UP**.

Please let the wildflowers grow round the side of the slide and leave the stones on the ground.

Use your eyes, ears & brain together to play safe – be aware of others, slow down, take turns and make good choices.

Be creative, be kind - have fun, include others in your game.

Trim trail – agility.

Sand pit creativity

Leave Our Play Landscape as you find it.
Respect the equipment & nature.
Come and play again!

Astro turf boat – chill out zone

Loose parts building area
