

Parent & Pupil
information for those
attending Cramond
places

January 2021

Booking Form link sent

If you were sent the link to the booking form we will have accommodated all the dates you requested.

If you spoke directly to me (Mrs Donaldson) then I will have added your child to our register lists.

Please take this email as confirmation that your child is on the register for Cramond places during January school closures.

Additional Information

- The school day is 9-3pm Mon – Thursday and 9-12 on a Friday.
- Children do not need to wear school uniform – dress warmly and ready for outdoor learning & play.
- Packed lunches are provided free of charge and do not need to be ordered in advance. Mrs fortune will ask your child each day – choice is chicken, tuna, egg or cheese. Alternatively, your child can bring their own lunch if they prefer.
- Pupils should bring a snack and water bottle each day.
- Pupils should bring a pencil case and some activities/book etc from home **for their own use** along with work from teachers they are working on.

Learning & Childcare provision

- The PSAs are part of the learning & teaching team at Cramond. Your child will be in one of 4 'bubbles' with the same, familiar staff each day.
- Bubbles are P1 or P2/3 or P4 or P5-7.
- Pupils will be engaging with learning as provided by class teachers as it happens and will have the smart board or ipads to access this. Pupils in P6 & 7 must bring in school ipads to use.
- If your child has their own device, they can access teams on (Ipad, phone, laptop or Kindle) you may wish them to bring this in along with any headphones. They can log onto school wifi.

Learning & Childcare provision cont.

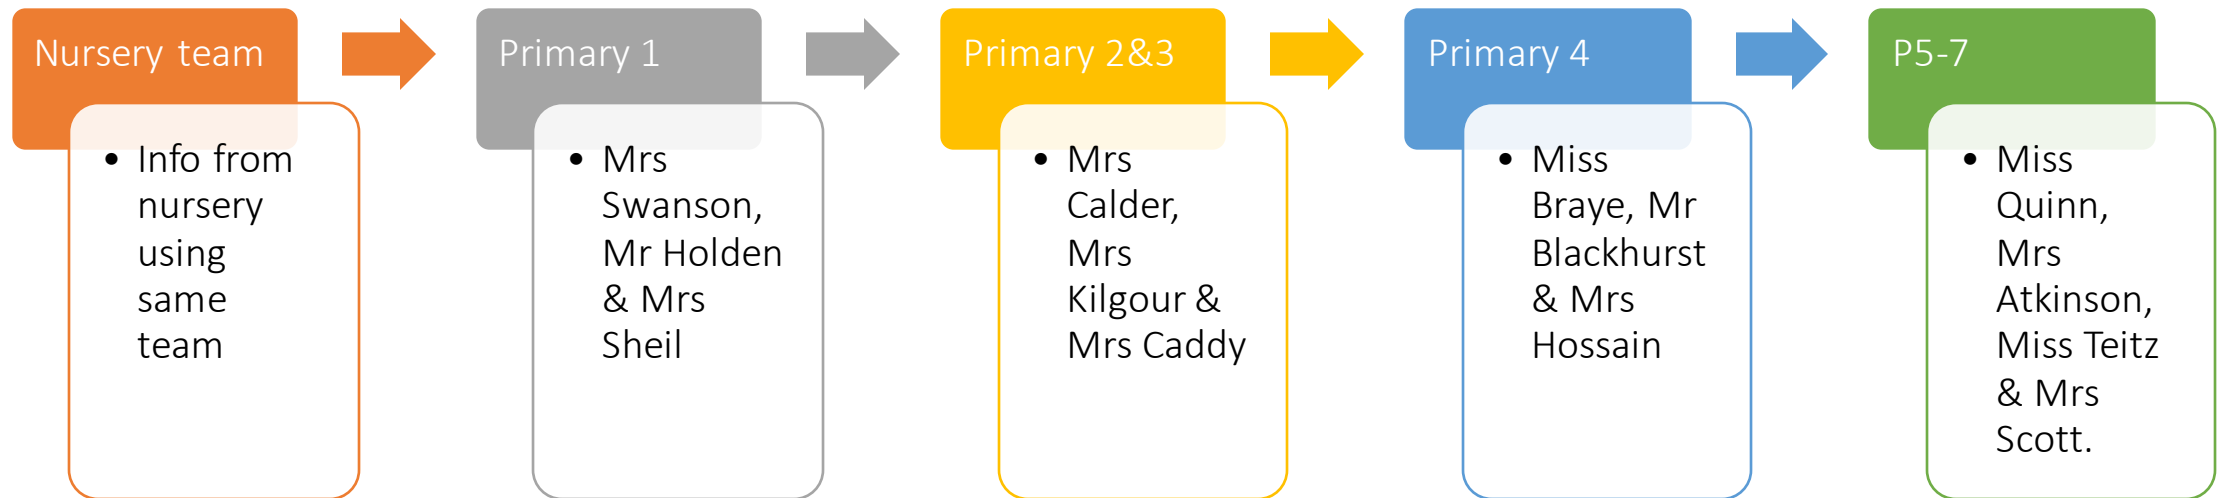

The children will not be directly taught by PSAs unless part of an agreed program as planned with class teachers, however you can expect that the children will undertake work set by teachers and supported/encouraged by PSA staff team.

Activities including PE with Mr Fraser (no kit needed), outdoor play and use of normal classroom equipment will be provided.

The children will watch Newsround, engage with sumdog and read each day. I would strongly recommend pupils bring book from home they are enjoying or select one from class library to enjoy.

As at home, children will have choice in other learning activities, games, puzzles & craft to participate in.

Staffing in our bubble groups.

If I only need part of a day or my shift changes?

We aim to keep numbers to an essential minimum.

No problem to pick up early or drop off later to minimise time your children are in school. Contact Mrs Fortune directly to organise.

Similarly, use the app, call or email to report any absence or place not now required.

Mrs Fortune and I (Mrs Donaldson) are in school every day.

Many other staff are also in school – delivering learning remotely or supporting with key children places childcare.

Be assured that we are all strictly following FACTS and although pupils do not socially distance – the staff will be as far as possible or wearing a face covering. Ensuring Health and Wellbeing of all, is our absolute

||| Please do not
worry – we
can do this!
