

What do you want for the Cramond Campus (Brighthouse)?

**Public consultation and engagement meeting
Monday 28 November, 7.30pm
Cramond Kirk**

Edinburgh Council's Development Management Sub-Committee has now agreed an extension to the delivery of new sports facilities at the Cramond Campus (Brighthouse) which will see specific plans being brought forward in two years.

This event is a chance to understand the process agreed and offer suggestions. AMA's specialist sports consultant, Penny Lochhead, wants to listen to the local community and hear what sports facilities they want to see on the site.

Please come along to take part.
