School Improvement
Plan 2025–26 –
Parent Summary

Our Vision for Improvement

Continue	Continue to build confident, curious, and creative learners.
Support	Support every child to achieve their potential through inclusive, high-quality teaching.
Promote	Promote wellbeing, equity and positive relationships for all.

Priority 1: Improve Writing and Feedback

Develop writing skills across all stages using clear progression pathways.

Improve how pupils receive and use feedback to improve their learning.

Increase opportunities for talking and oracy to support writing.

Priority 2: Inclusive Literacy and Language

Ensure	Ensure all learners can access and engage in high-quality literacy learning.
Strengthen	Strengthen inclusive practice in modern languages and RME.
Embed	Embed equity-focused planning and reflect diversity across the curriculum.

Priority 3: Boost Attainment for Learners with Barriers

Use tracking data to identify and support pupils with gaps in literacy/numeracy.

Provide targeted interventions to help all learners make progress.

Train staff in approaches that support dyslexia and literacy difficulties.

How We Will Involve Parents and Carers

Share	Share regular updates and learning through newsletters and learning journals.
Invite	Invite families to open classroom events and learning celebrations.
Continue	Continue to work closely with Parent Council and wider parent voice groups.

Together We Achieve

Thank you for supporting your child and our school community.
